MAKE HASTE

VARIETAL

100% CINSAULT

AVA

YAKIMA VALLEY

VINEYARD

STREET CRED

91 PTS WINE ENTHUSIAST | 91 PTS OWEN BARGREEN

“This is wonderfully smokey and stoney on the nose, as the palate reveals pretty red fruits that collide with minerals, orange rind + charcuterie tones. The purity of the red fruits here is seriously good as this is very Washington meets southern Rhone.”

THE STORY

Cinsault is one of my very favorite fermentations every season. It is wild and beautiful and so very aromatic. This noble grape is typically relegated to a support role in red blends or used to make delicious, pale Rose. With Make Haste I wanted Cinsault to have the singular, starring role and it certainly shines. - Morgan Lee
