### the story

Oliver is a special Rhone blend that debuted with the 2009 vintage. This wine is named for Morgan's son, who made his debut in December of that year. Oliver is a rich and charismatic blend of Petite Sirah and Syrah and spends 20 months in 50% new French oak at bottling. Oliver's label is designed by his loving grandmother, Lynn Lee.

Focused and bright this is a wine that will age out beautifully in the years to come.

The 2017 vintage is 60% Petite Sirah and 40% Syrah coming from StoneTree Vineyard in the Wahluke Slope AVA and Dineen Vineyard in Yakima Valley.
