ENTHUSIAST

"A blend of fruit from Stoney Vine (67%) and Stones Speak vineyards. The aromas explode, with notes of potpourri, Stargazer lily, smoked meat, soot, fresh herbs and olive. A sumptuous, über flavorful palate follows, mixing fruit and savory. The tannins give more grip initially than the appellation typically shows, mellowing with time. It's terrific."

the story

There is funky wine, and then there is the Rocks District funky wine. Lucky for us we've been able to get our hands on some amazing rocks fruit. This Syrah is sourced from Stoney Vine and Stones Speak vineyards in "The Rocks District of Milton-Freewater" AVA of the Walla Walla Valley. Planted over the old riverbed of the Walla Walla river, Stoney Vine vineyard produces some of the most unique and distinguishable Syrah in our portfolio. Imagine a plethora of earthy and meaty flavors all wrapped together with a single dark berry smashed in and you'll start to understand. The 2019 Vintage was our 9th from this vineyard.
