PRODUCTION

Crushed and fermented together in Spanish clay pots, or tinaja, this orange wine was on the skins for a full 8 weeks before pressing and was then aged in neutral French oak barrels for 20 months.

100 cases produced

TASTING NOTES

"Aromas of almond and mineral are followed by full-bodied flavors. With plenty of textural richness to it with some intriguing pieces", it is dry and versatile with a distinct vein of acidity.
