## the story

When Zinfandel first entered the lineup at Two Vintners it raised some eyebrows. Originally intended to be a one off wine in 2008, it has now become one of our most sought after bottlings. Now in its 12th vintage, this is the wine that has people dragging their friends into the tasting room saying, "You just have to try this!" The big brambly fruits remain, accented by the notes of spices and held together with some sneaky tannins. This is a continuation of the house style that our fans have come to know and love.
