2021 CABERNET SAUVIGNON

THE STORY

In 2012 we bottled our first Cabernet Sauvignon for Two Vintners. We gave it a name that reflects the quality of the wine but didn't take itself too seriously. Legit is made from some of the finest Cabernet vineyards in the state and always hails from a blend of Walla Walla, Horse Heaven Hills, Wahluke Slope, Rattlesnake Hills, and Yakima Valley fruit, making this a true representation of Washington Cabernet. Two Legit indeed.
