THE STORY

This wine is named after Morgan's daughter, who made her debut in March of 2015. Claire is a light and bright wine of 100% Grenache all from the esteemed Boushey Vineyard in the Yakima Valley. Claire's label is designed by her loving mother, Sally Lee. This Grenache is a stellar representation of the feminine side to Grenache in WA State. We see the earthy and funky versions coming from Walla Walla and the Rocks – and this is that softer and more floral side to it. Matching some of those in the Rhone valley in France.
